To Sum It Up

(EDITOR'S NOTE—The Valley Star asked Dr. Vierling Kersey to write an editorial on the present status of Valley College.)

By DR. VIERLING KERSEY

What does it all add up to? One semester has ended. We look at the outcome. This is about what the story is:

A total of 438 students enrolled, 389 stayed to the end. That is a good showing. Every person who had to drop out was given the benefit of a personal conference. Economic reasons, family reasons, personal illness counted for most of our losses. A very few found that college was "not for them."

The total number of grades given at the end of the semester was 1876. These grades divided up as follows:

"A's" _____283, 14.4% "B's" ____548, 29.5% "D's".....213, 10.9%548, 29.5% "F's". "F's".......... 86, 4.8% "Inc."........ 24, 1.3% ..722, 39.1%

Twenty-three of our pupils earned grade points enough to become candidates for our College Honor Society. Fortytwo students did not earn enough grade points to gain permanent status in the college. They are enrolled on probation and are being given assistance so that they may become regular at the close of the second semester.

At the close of our first semester several pupils left Valley Junior College to attend other junior colleges, colleges and universities in Southern California. We draw some conclusions at the end of Semester Number One.
Great strength was gained by overcoming hardships.

Our college had plenty of them, still has. There is certain strength in mastering difficulties. We positively established our college as the "friendly" college. Fellowship and social events are outstanding at Valley Junior College. Our athletic record was a very good one with which to start. Instructor-student relationships are the very best.

A college is no better than its students. Students are good when the things that count most come first. These things count most-regular attendance, regular study time and study habits, the right selection of subjects to pursue, keeping up morale, seeking counsel and advice when things get too tough.

There is, by comparison of records, no better junior

college than our own Valley Junior College.

Executive Council Tells How Student Body Money Is Spent

The following budget has been approved by the executive council and is published so students can see how the money from student activity tickets is being spent. Any one who wishes further information may see Bob Wegener,

Wegener says, "We are still a little short of money, and it was hard to make the budget. Most of the money had to go for athletics and the school paper. However, as soon as the athletic teams start paying their own way by League competition, the budget will be much easier to balance.

Politicians Toil In Broiling Sun For Constituents

When politicians, notoriously allergic to exercising any but jaw muscles, resort to manual labor in the interest of their constituents, that's news! It happened here last Thursday.

Bob Lunsford, ASB president, Mike Seeger, V. P., and Dick Gifford, Executive Council wheel toiled mightily under the burn ing mid-day sun and, with commendable lack of discussion, succeeded in hanging the handsome glass enclosed bulletin board now to be seen across the area from the coke machine.

The crowd attracted by this unusual sight was lost in admiration as the three, only slightly pale after their exertions, made final adjustments to the large five by four foot board. When the job was completed to their satisfaction, Lunsford, Seeger and Gifford made the occasion even more notable by refraining from speechmaking about it. "Will wonders never cease?" a bemused onlooker was heard to mutter, as the gathering dis-

I have just been reading the last issue of your Valley Star. I was especially pleased with the layout of the front page and well written articles throughout the publication. Since I am not able to make frequent visits to Valley Junior College, your paper furnishes the best means of keeping up-to-date on what goes in this, the newest of our higher educational institutions. We are proud of the work you and your associates are doing. Your paper is an asset, not only to the school, but to the entire Valley. Best wishes for continued suc-

In the Mood

Charlie Barret, who dropped out of the big band business last year, has organized a small group composed of three saxes, trumpet, trombone and four rhythm. Charlie Ventura, who also left the business, plans to put a new crew to work near the beginning of March. Eddie Heywood, completely recovered from a serious illness, which kept him away for two years, is now starting out on the road back. And last, but certainly not least, Ole Count Basie, went back to work Feb. 10 in Chicago, with a sixman group.

The man to watch in '50 is Oscar Peterson, Canada's top jazz pianist. Art Tatum has signed to record for Capitol. His first release is due shortly Discovery records have signed Paul Smith, young Hollywood pianist whose work has been compared to that of George Shearing. He is being billed as the "American Shearing." George, by the way, was a big hit in Frisco. Here are some of the hot spots around Los Angeles, where you Dixieland fans can get your fill. Ben Pollack is at the Beverly Cavern, Doc Rambo at Club 47, The Hangover Club features Red Nichols, Pete Daily at Sardi's Monkey Room and Kid Ory at the Royal Room. As I said in my last column, the town is crawling with Dixieland musicians. There hasn't been any good bop music played here in over a year.

Say, how would you like to run a weekly record poll of the ten top records? It will be strictly your choices and I will run them in this column. If you agree with the idea, just send the names of the tunes to Room 6, as soon as possible. I would also appreciate your opinion of this column and any helpful hints you could offer. Thank

There's only one place for the term non-support—in the divorce courts. Yet Valley's cup runneth over with this toxic substance. The recent Frosh Day flop on the high school football field was infected enough with the virus, but last week's pep rally was licked before it started because of this above mentioned consummation not so devoutly to be wished. This may not appear to be as serious a matter as it is in reality, but neither does a common cold until it has turned into a momentous disease that isn't easily checked. 'Tis said that an ounce of prevention is worth a pound of cure . Less turn-out convention will render score-board points much

Valley Gets Second Win Over City College Cubs

Sports

By Garth Myers

Why is it that in practically every edition of the Valley Star, there is a tremendous eating out of non-support of college events? If you don't know, I can surely answer this very simple question. The latest was the baseball rally last Thursday, the day of Valley's inaugural horsehide fray. Exactly ten people showed up for the affair, plus the Joe Wawrach was hit by a pitchbaseball team and yell leaders. Approximately 20 feet away from the Social Hall where the rally was to be held) was a real going concern where all sorts of crud was going on. Namely the Student Union. So what if a guy likes to shoot the latest bull, ing Wawrach and Morse. he can still put out 25 or 30 Coach Ernest Johnson will minutes of his valuable time to give an example of school spirit. If you students expect Valley to win all kinds of athletic events, you have to give them support!!! Our little dynamo Chuck Moran really works himself into a froth to put Valley's spirit on top, and 3b what does he get for his efforts. A big kick in the you know what!!! Of all the lousy deals this one gets top billing. wouldn't blame Moran a bit if he told the infants hereabouts to take a flying leap .

Congratulations to Jim Quick, Valley's most improved hoopster. Jim won the honor of being this institution's first basketball team captain. He deserves three cheers. A married man too!!!

There was a pretty fair crowd at Valley's first baseball game showed their wares by taking L.A.C.C. in hand 8-6. Joe Wawrach pulled a muscle in the fourth inning after slamming a hard triple, his first time at bat. So here's hoping you get back in playing shape, Joe, cuz we sure need you! Valley College pounded the Los Angeles City College Cubs baseball nine Tuesday for their second win over their "cousins" downtown. Banging the ball all over Griffith Park, the Monarchs came up with a 6-1 decision.

Valley Trackmen In Time Trials; **Prep For Relays**

Coach Charles Mann is getting a fairly good indication of what his small but willing track squad will do in coming meets since the boys have been posting times in inter-squad time trials that started in all events this week.

Best Bets Best bets should be Jim Smith, who already has unofficially shattered the Metro Conference mile record in practice and who holds the Valley League record of 4:34.5, Howard Spear, 11'9" pole vaulter from North Hollywood, and Bill Murchie, high and low barrier standout, from the same school. Chuck Pendley, who could set a new Metro record in the broad jump with a little effort, hasn't been out for practice in a week, along with sprinter Len Esau, and shot

Quantity of the local trackmen is a known factor, but the quality is still more or less a doubt as Coach Mann will try to line up a team for the East L. A. Relays next Friday.

City College put on a rally in the third inning when Luymes singled, Waxman flied out, Bradish singled Hughes F. O. and Vrevich walked, loading the bases with two away.

Bud Hall came to the plate and knocked a triple, scoring all three men for his only hit of the game. Neal reached first resulting from a bad throw to Flaherty, holding down the position, sending Hall in. Oster flied out to end the threat.

Chuck Schrieber then relieved Edgerton who had done well until an old back injury began to plague him. The Cubs quickly loaded the bases with two away. Schrieber hit Hall with a pitched ball, walking Waxman in and tying up the game. Schrieber fanned Neal for the final out.

Valley's last three runs came in the sixth stanza after Smith Schrieber h.p.d. and singled, singled on a fielder's Halfhill Terry Morse singled choice. Gerst walked, Smith. scoring putting Halfhill across for the Flaherty then seventh point. struck out. M. Wawrach singled, scoring Morse and Nitrini was put out at home.

The Cubs made their last bid in the final inning when Bradish scored after Vrevich singled. Bradish got on base via a double.

Coach Johnson's mound staff turned in a creditable performance throughout the game. Edgerton walked two and gave up three hits. Four runs were taken off Edgerton, but several er rors didn't help him any. Schrieber walked three, struck out five and gave up one point. One run was scored off him on a walk in. Brad Browne worked the last two innings, walking one, giving up three hits and one

All Aboard For Fashions! Transportation Provided

By Nancy Helser

"All aboard for Anaheim, Clodfelter Will Azusa and Tommy Muse's house. This is the cry that will ring out on March 30 in front of Valey College, where bus transporation will await all the women students attending the fashion show at the home of Tommy Muse.

As the final event of Women's Week, this fashion show will feature spring, summer and Rathbun's profesbeach wear. sional models will entertain the group for an hour.

Rathbun's North Hollywood Clothing Store is offering a bathing suit as a door prize for the girl holding the lucky ticket. Sponsored by the AWS, the show is under the direction of

the AWS cabinet.

Stated Joan Haas, president, "This is the biggest thing we've ever attempted to do, and the response shown will be indicative to the bigger things we can accomplish as an organization."

A vocal solo and two swimming numbers are to be presented to the group. Miss Helen Mindlin has made the arrangements for the latter.

Few Participate In Noon Dance

"Enjoy yourselves It's later than you think!" Quotes Mike Seeger as he

mopped his neck where he was getting warm under the collar. "It gripes me no end that students do not show up for oncampus activities. I can't why more students won't participate in our noon dances and other affairs planned for their enjoyment.'

He was referring to last Tuesday's noon dance which was attended by only ten couples. Some of those present were: Bobbie Reddick, Bob Baker, Shirley Holt, Mike Seeger, Pat Perry,

Bill Elliott, Bob Aguda, Peggy Smith, Bob Lunsford, Jeanne Marcy and Mary Jo Henderson. Don Warren acted as disc jockey and Dick Reynolds emceed.

FASHION FLICKER

By Sandee Slakoff Sun-Sations

Have you been taken up in the merry whirl of events that occurs every year about this time? It's a fact that if a gal can stay on her toes, she is apt to be swept upon the carousel of fashion and fun!

To begin with, if she knows that denims are selling like hot cakes for "stunning sunning" she will go out of her way to collect a set of them in mouth-watering colors. If she realizes that a short, short coat for spring will be the very backbone for her summer-into-autumn wardrobe, she'll invest in a fleece version of this coat, featuring wide bat sleeves and a tiny rolled collar. Furthermore, if she's smart enough to cut down her last year's terry cloth bathrobe, she can turn it into an adorable and fashionable polo coat by merely adding wide sleeves and a huge floppy collar made of hot, orange linen!

Fun-Damentals There's no time like the present to be busy attending fashion shows! The refreshments, in most cases, are on the house;

the hours spent will really prove rewarding.

Even the gals down in Furnace Creek know that common old "gunnysack" cloth is being cut, dyed and transformed into really beautiful garments. From Chinese culturists we get ordinary bamboo birch; from American designers we get flared, springy bamboo jackets. It's an easy task to enjoy fashion . . . it's more fun, however, to employ fashion . . . to make it work for

Spring and Easter are nearly here again and most people will be adding to their wardrobes. No one wants to break this old tradition, but there are more than a few who would like to find a place to purchase the latest styles at a reasonable price. My suggestion is Rathbuns in North Hollywood. Go over and look around. Also, you won't want to miss the fashion review featured by Rathbuns and sponsored by our A.W.S.

Can you imagine yourself among swaying palms and tropical flowers eating sizzling hot, juicy barbecued beef or pork? It may seem like a dream, but it can come true. All you have to do is drop into the Samoa House on Van Nuvs boulevard in Sherman Oaks. You're sure to be pleased.

Attention car owners! If you have been parking on the streets around our fair campus you have undoubtedly experienced at least one dented fender. For expert work see Pete Constantino, owner and manager of the Mission Auto and Body Works, located at 800 N. Maclay in San Fernando. Pete is also advertising a factory-type paint job for only \$29.50. When you go in, be sure to tell him you're from Val-

Music Hour

Brahms, composer of ageless music, will be featured in the music hour Thursday, March 16, at noon in Room 7, according to Mr. Albert Caligiuri, music instructor.

Mr. Caligiuri has been presenting the recordings of famous composers for the past two weeks. After each record, Mr. Caligiuri discusses the music and composer. Brahms: Symphony No. 1, in C Minor will be played.
